- * The information contained in this table represents a major effort on the part of the Calorie Control Council to obtain accurate information on the worldwide status of sweeteners. Facts have been obtained from sources generally considered reliable, but are not guaranteed. The information is not only difficult to obtain and verify but is often subject to differences in interpretation. It is important to recognize the ever changing regulatory process and the ambiguous nature of many of the regulations.
- ** May not apply to all food categories.
- *** Products must comply with regulations of the exporting country.
- **** EU regulations apply
